

PROGRAM

4th Swiss Master Class Neuro-otology

Swiss Society for Otorhinolaryngology,
Head and Neck surgery (SGORL, ONO group)

Thursday, May 15th 2025

Anna-Seiler-Haus, U1 007, Freiburgstrasse 20, 3010 Bern, 09:00 – 17:15

PROGRAM

Thursday, May 15th 2025

4th Swiss Master Class Neuro-otology

Location:

Inselspital, Anna-Seiler-Haus, U1 007, Freiburgstrasse 20, 3010 Bern, 09:00 – 17:15

Objectives:

- **Expand Knowledge of Vestibular Function:** Gain comprehensive knowledge of vestibular system physiology, vestibular rehabilitation, and disorders like BPPV and presbyvestibulopathy.
- **Enhance Diagnostic Skills:** Learn to apply advanced diagnostic tools such as posturography and video-oculography (VOG) for assessing balance and eye movement disorders.
- **Develop Hands-on Expertise:** Participate in interactive workshops to refine practical skills in diagnosing and managing vestibular disorders, including BPPV maneuvers and postural assessments.
- **Engage in Expert-Led Discussions:** Interact with leading specialists, exchange clinical insights, and explore the latest advancements in neurotology through lectures, live demonstrations, and Q&A sessions.

Program:

I. 9:00 - 12:00: Lectures

1. Physiology of the vestibular system - Prof. Herman Kingma
2. Vestibular rehabilitation – Balz Winteler, Claire Mentha

Break 10:20 - 10:50

3. BPPV- PD. Dr. med. Nils Guinand
4. Presbyvestibulopathy: Prof. Dr. med. Julia Długaiczky

Lunch 12:00 - 13:00

II. 13:00: Live Video Broadcast: TRV chair

III. 14:00 - 17:00: Workshops

1. BPPV– PD Dr. med Nils Guinand, Dr. med. Massimo Sussetto, Dr. med. Dr. sc. nat. David Bächinger
2. Posturography– Prof. John Allum, Dr. med. Claudia Candraia
3. Oculomotor function, Video-oculography– PD Dr. med. Tatiana Bremová, Dr. med. Hassen Kerkeni

IV 17:00 - 17:15: Discussion, Farewell

International Speaker:

Professor Herman Kingma, Aalborg University Hospital, Denmark
Em. Professor Maastricht University Medical Centre, The Netherlands

Course Credits ORL: 6 points

This course is supported by the Swiss Society for Otorhinolaryngology, Head and Neck Surgery (SGORL ONO group)
